I'm FullStack Developer. Freelancer. Photographer

About

I'm a fullstack developer. I currently work as a fullstack dev at Tripleone Tech in Makati, Philippines. And I also do freelance work, working with small businesses to get them a nice, modern website.

Fullstack Developer.

I kind of fell into it. So I started learning HTML, CSS, PHP, JavaScript and MySQL. Eventually I learned NodeJS and React and so my passion for web development has remained sky high..
